After the "sheow" was over, Dodge was no little surprised, and less delighted, to find that the constable of the village was waiting on him at the door, with a warrant, for giving a show without a license! Dodge tried reason the case, but no use; the more he endeavored to logically demonstrate the fact that "elocution and music" never came under the head of show, the more the astute constable wouldn't listen; and nothing short of Dodge stepping up to the 'Squire's office, and planking down some fifteen or twenty real dollars, fine and license compounded. principal and interest, would do.
